

## Contractual Mental Health Therapist

Child and Family Charities is seeking dedicated contractual therapists to join our team on an hourly 1099 basis.

We welcome candidates with either a limited or full license in social work or professional counseling who are passionate about providing high-quality mental health services to children, adolescents, adults, and families.

- Flexible scheduling is available between 8:30 am and 8:00 pm to best meet client needs.
- \$35/hr for limited license and \$40/hr for full license
- In house clinical licensing supervision, and all insurance paneling and billing will be managed by the agency so you can focus on your clinical work.
- Candidates must carry their own liability insurance.

This is an excellent opportunity for clinicians seeking flexibility, professional support, and the chance to make a meaningful impact in the community. If you are committed to compassionate, evidence-based care and want to work in a collaborative and supportive environment, we encourage you to apply.

### Responsibilities

- Provides direct mental health therapy (individual, and/or group/family), education, referrals, and service coordination.
- Utilizes trauma informed, motivational enhancement and cognitive behavioral models of therapy.
- Complete and maintain all required documentation within required timeframes
- Maintains positive and professional relationships with individuals and organizations involved with the target population.
- Maintains strict privacy and confidentiality practices in accordance with federal and state regulations, and consistent with ethical standards in the field.
- Participate in individual clinical supervision, clinical team meetings, and ongoing professional training activities.
- Familiar with electronic medical record systems or ability to develop proficiency is preferred.

### Qualifications

- Master's degree in social work or professional counseling
- Limited License or Full Licensure desired. We will provide supervision for licensure.
- Minimum one year of applicable experience in assessment and therapeutic interventions with children, adolescents, young adults, and adults.
- Experience providing manual based therapy and addressing trauma a plus.
