

Mental Health Counselor– Full Time  
Child and Family Charities, Lansing, MI

Make a Difference Every Day

Join our supportive, mission-driven team at Child and Family Charities, where your clinical skills and compassion will help transform lives in our community. We are seeking a dedicated Mental Health Counselor to work with EVE (Ending Violent Encounters)

Why Join Us?

- **Mission-Driven Impact:** Be part of an organization deeply committed to making a lasting difference for children, adolescents, adults, and families in need. Your work will directly contribute to our mission of building stronger, healthier communities.
- **Supportive Culture:** Thrive in a collegial atmosphere that values your voice, supports your growth, and encourages innovation. We offer regular clinical supervision, professional development opportunities, and a culture of teamwork and respect.
- **Professional Growth:** Receive a yearly stipend for ongoing training and professional development. We provide supervision for licensure, mentorship, and opportunities to advance your clinical expertise.
- **Work-Life Balance:** Enjoy a flexible 37.5-hour workweek, with some evenings available to accommodate client needs. This position will be based both in the EVE shelter and on CFC's campus.
- **Inclusive and Welcoming:** We are committed to treating all individuals fairly and celebrating the unique backgrounds, experiences, and perspectives each person brings to our agency and the communities we serve.

Duties and Responsibilities

- Provide time limited individual and group counseling in shelter and community-based settings using trauma informed, motivational enhancement, and cognitive behavioral approaches
- Maintain an efficient referral and intake process, including outreach, scheduling, and timely follow up
- Attend monthly EVE staff meetings and provide updates and brief presentations on counseling and psychoeducation topics for staff
- Participate in tabling and other outreach activities at community events and provide community education with the EVE outreach team
- Deliver psychoeducation, case management, referrals, and service coordination to promote client safety, stability, and recovery

- Maintain positive, professional relationships with clients, referral sources, and community partners, collaborating to support the best possible outcomes
- Complete timely and accurate documentation in the Empower client database, ensuring privacy and confidentiality in accordance with all applicable regulations and ethical standards
- Participate in individual supervision, clinical case conferences, and agency wide meetings, contributing to a culture of learning and high-quality services
- Engage in ongoing professional development, with agency support for training and licensure
- Other duties as assigned

### Qualifications

- Master's degree in social work or counseling (required)
- Limited or full professional licensure; agency provides supervision toward licensure
- Minimum of one year of experience providing assessment and therapeutic interventions with adolescents and adults
- Experience with manualized treatment models, trauma-focused care, LGBTQIA2+ clients, and survivors of domestic violence and sexual assault preferred
- Strong interpersonal, organizational, and documentation skills
- Familiarity with client databases or willingness to learn
